ABOUT ME:

I am a versatile talent with a commanding yet relatable presence, known for my disciplined preparation and ability to deliver the right tone for any project. With a broad vocal range and rich, authentic delivery, clients can expect to not only be impressed with my engaging, authentic and confident performances, but are always met with humility and professionalism as well. From commercials and narration to audiobooks, e-learning, and live event hosting, I have the skills to bring any project to life.
